Sir,

Sub:- COMMUNITY PROJECTS - South Kanara area - Block II - Adult Literacy Centre for ladies at Sampige - Expenditure - Sanction - Requested.

Sampige is a Village situated close to Mudabidri, Mandi Centre for Block II. An adult literacy centre was started at this place on 15-2-1954. It is exclusively for ladies. The centre is having a strength of 25 and the average daily attendance is also 25. As the centre is meant for ladies only, it will not be enough if the women adults are taught merely to read and write. The curriculum has therefore been given a new orientation in such a way that the ladies attending the classes are taught Hindi, on 3 days in the week, stitching and needle work for 2 days and instructive talks once a week, on domestic science, ~~once a week~~ knowledge of which is so essential for women in their daily avocations. Sri Subramanya Achar, a person qualified to teach Hindi, has undertaken to conduct the Hindi class without any remuneration. Similarly, Kumari Tara Bai, has offered her voluntary services for conducting the stitching and needle work classes and for giving talks on domestic science. No lighting charges need also be paid, as the classes are conducted during day time between 5 to 7 P.M. The centre is conducting its activities in the Sampige Aided Elementary School.

2. It may kindly be seen that the centre is working without any financial commitments for the Community Project. But as a sort of encouragement and recognition of their activities, the villagers request that the Community Project may provide the centre with a Carom Board at an expenditure of Rs. 50/- Ladies have an aptitude for indoor games, and as the centre is exclusively for them, the provision of a Carom Board will act as an incentive to the ladies to flock to the centre in increasing numbers and it will also go a long way in making the centre a grand success that it already bids fair to be. This centre is the first of its kind started in the Community Project area for women alone and the usefulness of this centre will encourage similar centres in other places. I, therefore, recommend that sanction may kindly be accorded to an expenditure not exceeding Rs. 50/- for the provision of a Carom Board for the Adult Literacy Centre at Sampige as a special case.
